

The *New Standard* / in RF Microneedling

with revolutionizing enhanced topical penetration

POTENZA™
by CYNOSURE®

A solution for *every patient/*

The versatility of the Potenza system allows you to customize treatments based on your patients' specific needs – *all skin types, anywhere on the body, any time of year.*

Fusion Tip

21 insulated needle array

Adjustable depth
0.5-2.5 mm

Uses a dual-air chamber design to capture and release air towards the skin in order to enhance the penetration of topicals into the channels

Tiger Tip *Semi-Insulated Needles*

16, 25 and 49 needle array

Adjustable depth
0.5mm- 4.0mm

Used for treating more tissue in a single treatment without sacrificing the epidermis

Insulated needles

16, 25 and 49 needle array

Adjustable depth
0.5mm- 4.0mm

Used for both targeted and deep treatments in the skin

Single Insulated needles

0.8mm, 1.2mm and
1.5mm depth

Used to precisely target and improve blemishes found in the skin

Treat a larger *variety* of
your patients' conditions /
Both superficial and deep

World's first 4-mode RF

Monopolar, bipolar, 1 & 2 MHz capabilities. Provide shallow and deep treatments in one system.

Unique Tiger Tip™ technology

Treating multiple depths in a single treatment

Fusion Tip

For enhanced topical penetration

Single-needle handpiece

Target and improve blemishes

The first and only tip to provide enhanced topical penetration to *maximize results* ✓

Normal RF Needles

Fusion Tip

Confidently deliver your topicals deeper into the dermis

Provide *results*. Improve *profitability* /

The Potenza radiofrequency microneedling device is intended for electrocoagulation and hemostasis of soft tissue for dermatologic conditions. Potential side effects include temporary redness, temporary tingling, and burning sensation while receiving treatment. Like all medical procedures, not all patients are suitable for the treatment. A qualified practitioner is solely responsible for evaluating each subject's suitability to undergo treatment and for informing those being treated about any risks involved with the treatment, pre-and postoperative care, and any other relevant information. Individual results may vary and are not guaranteed. PRD_4362
